4. Communication 3

2.7. Ensuring responsible, ethical and compliant governance

We are committed to complying with the legal, regulatory and standards-related requirements and other obligations applicable to our activities. We promote transparent, responsible and ethical governance, founded on integrity, respect and the consideration of sustainable development issues in our decision-making.

3. Management commitment

Palexpo's Management is committed to:

- Defining the company's strategic direction and objectives;
- Providing the necessary human, technical and financial resources;
- Supporting the effectiveness and continual improvement of the integrated management system;
- Fostering a culture of excellence, responsibility and innovation;
- Promoting the engagement and empowerment of all employees;
- Regularly measuring performance and the results achieved;
- Creating lasting value for all interested parties.

4. Communication

This policy is communicated to all interested parties and published on the Palexpo SA website; it is reviewed periodically and adapted in line with developments in the context, strategic issues and expectations of interested parties, in order to ensure its relevance and effectiveness.
